

AAPA Learning Management System (LMS) Information Sheet

Launch Date: February 10, 2025

Introducing the AAPA Learning Management System (LMS):

The AAPA Learning Management System (LMS) is your all-in-one online training hub, designed to help you advance your knowledge and skills on your terms. With **CE *Your Way***, you have the flexibility to tailor your learning experience to fit your schedule, whether you're at home, in the office, or on the go.

As an AAPA member, you get exclusive, free access to a variety of educational content, including continuing education (CE) courses and essential resources, all designed to support your professional growth. Whether you're looking to sharpen your clinical skills, stay up to date with the latest advancements, or earn your required CE credits, the AAPA LMS empowers you with the tools and flexibility to learn **your way, anytime, anywhere**.

Key Features of the AAPA LMS:

- **Available 24/7:** The LMS is accessible online whenever you need it, so you can learn at your convenience, whether it's during your lunch break, on weekends, or after hours.
- **Learn at Your Own Pace:** No deadlines or set schedules — the LMS is designed for you to engage with the material at your own speed, ensuring a personalized and flexible learning experience.
- **User-Friendly Interface:** The LMS features an intuitive, easy-to-navigate design that makes it simple to find the resources you need and track your learning progress.
- **Comprehensive Learning Hub:** All of your CE courses and resources are available in one convenient location, from quizzes and on-demand webinars to downloadable study materials — everything you need to enhance your knowledge is just a few clicks away.
- **Searchable Course Library:** Quickly find the CE courses that suit your interests and professional needs. Browse categories such as:

- General AP Quizzes
- Advanced AP Quizzes
- General AP Quizzes with On-Demand Webinars
- The Cutting Edge Journal Articles
- Study Guide Materials, and more!
- **Sign-In with Your AAPA Credentials:** Access the LMS using your AAPA login credentials, ensuring a seamless and secure experience.
- **Supplemental Resources for Deeper Learning:** Many courses offer downloadable resources, such as PDFs, presentations, and articles, allowing you to explore topics in greater depth and reinforce your learning.

Automatic CE Credit Reporting:

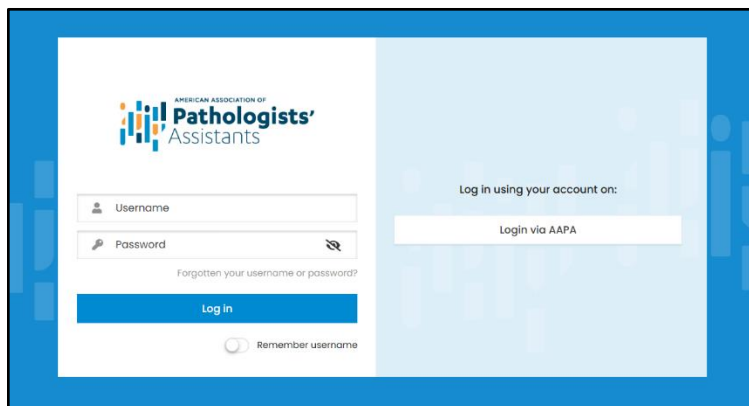

As an AAPA member, you've already enjoyed the convenience of **automatic CE credit reporting** — and with the new LMS, you'll continue to benefit from this essential feature. Once you complete a course, your earned credits will be **automatically reported to the ASCP**, saving you time and ensuring you stay on top of your professional development requirements. This seamless process means you can focus on learning, while AAPA takes care of tracking your progress and reporting your credits.

Get Started Today:

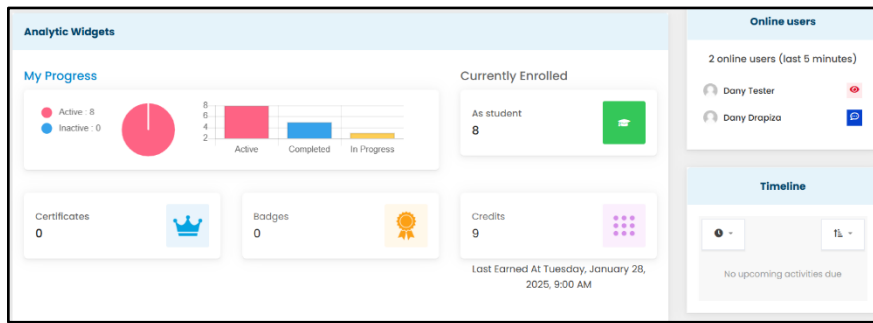

Log in now to explore the AAPA Learning Management System and start earning your CE credits with ease! Visit aapa.maplelms.com today!

Steps to Create Your Account

1. **Visit the [AAPA Learning Management System Login Page](#)**
Navigate to the login page for the AAPA Learning Management System.

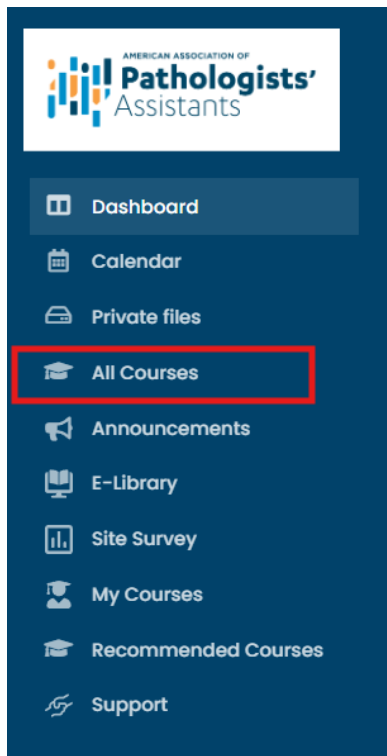

2. **Log in with Your AAPA Credentials**
Enter your AAPA username and password to access your account. This will take you to your new LMS account dashboard.

3. Browse Available Courses

Navigate to the LMS menu and click the "All Courses" tab.

4. Start Learning

Enroll in any available free CE course and begin your learning journey! You can explore courses by category using the dropdown list on the right side of the screen.
